

ARTYOM HOVHANNISYAN

Web Developer

Ararat, Armenia | artiomhovhannisyan.ait@gmail.com | linkedin.com/in/artiom-hovhannisyan

SUMMARY

Middle Frontend Developer with 5+ years of experience specializing in building scalable and high-performance web and mobile applications using React and React Native. Strong understanding of backend systems and end-to-end business logic, enabling seamless integration between frontend and backend services. Experienced in optimizing performance, managing complex data flows, and designing maintainable architectures. Focused on delivering high-quality user experiences while maintaining a deep understanding of system design and application logic.

PROFESSIONAL EXPERIENCE

Frontend Developer — Fantasy-space Jan 2021 - Present

- Developed and maintained modern web applications using React.js and Next.js
- Integrated REST APIs and handled complex state management (Zustand, React Hook Form)
- Collaborated with designers to implement pixel-perfect UI from Figma
- Improved app performance, fixed bugs, and optimized user experience
- Worked closely with backend teams to ensure smooth API integration

Fantasy-space Mobile developer Feb 2023 -Present

- Built cross-platform mobile applications using React Native with a focus on performance and user experience.
- Worked on navigation flows and resolved issues related to infinite loading and screen transitions after authentication.
- Implemented API integrations for real-time data fetching and synchronization.
- Handled device-specific behaviors such as file handling, downloads, and native previews.
- Debugged and fixed issues related to state persistence, encryption flows, and UI responsiveness.
- Optimized mobile app performance by analyzing rendering behavior and reducing unnecessary updates.
- Collaborated with backend teams to ensure secure and efficient communication between services.

TECHNICAL SKILLS

- Frontend: React.js, Next.js, Vue.js, Nuxt.js
- Mobile: React Native, Expo
- Languages: JavaScript, TypeScript
- Styling: Tailwind CSS, NativeWind
- State Management: Zustand, React Hook Form
- Tools: Git, Figma, REST APIs, Bitbucket

ADDITIONAL INFORMATION

- **Languages:** English, Russian, Armenian
- **Certifications:** in Web Development
- **Phone-number:** +374(98) 102 792
- Strong problem-solving and debugging skills, Experience working in agile teams, Detail-oriented with a focus on clean and maintainable code, Quick learner, adaptable to new technologies
